- Thank you to all the co-ordinators who give so generously of their time
- Groups may be played in either blitz or game by game format. The Co Ordinator has the final say in group playing format having first consulted with all other teams in the group.

Normal rules of Camogie apply. However

- No soloing allowed
- Goalkeeper to take all puckouts
- Score from puck outs not allowed
- Camogie players may handpass a score into the net and players may drop the hurley when handpassing the sliotar
- Juvenile (Size 4) Sliotars to be used in all games
- All players must wear helmets with faceguards
- **Referees are the responsibility of participating schools during the group stages.** It is generally best practice that experienced referees with a good knowledge of the rules and a strong sense of fair play be appointed.
- Respect must be shown at all times to referees and participating teams. This must be emphasised by Principals and Teachers.
- **A Teacher must be present at every match involving their school**
