HURLING GROUPINGS 2022**

**BOYS' HURLING GROUPS GUIDANCE 2022**

*Many thanks to the all Hurling Group Co-ordinators who have confirmed that they will contact the other teams in their groups in order to arrange playing matches in their groups this year. For the summer of 2022, schools have chosen to play non-competitive games just within their groups with NO FINALS. This will enable schools to have great flexibility as regards when games are to be played as there are no deadlines for Finals. Matches can be played up until the end of the school year and schools will be able to ensure that all their players get game-time. Some general guidance follows.*

1. Groups may be played in blitz format or as individual games (game by game). The Co-ordinator, who is from schools numbered as "1" in each Group will consult with the other schools in their group to decide on the format. Hopefully this can be unanimously agreed but the majority view should prevail. If there is a tie, the Co-ordinator decides.
- 2 If a blitz format is chosen, the Hurling Committee strongly recommends that there be 2 blitz days at least for the group, perhaps one in May and one in June. A different venue for the 2<sup>nd</sup> day can be used if feasible and if agreed.
3. Our rules are that Girls can only play on Boys' Teams up to and including 7 a side, ie 5 & 7 a side. They can not play on 9 a side teams or above. (We expect however that schools will field an all boys team if their numbers allow as the girls have their own competition).
4. Juvenile Goals and Juvenile Sliotars (Size 4) to be used in all games.
5. All players must wear helmets with face guards.
6. Normal rules of hurling apply except:
  - a) NO solo allowed including NO tap. 4 steps max allowed. No bouncing ball off the ground with hurley and catching again. A free against the player's team is awarded if these happen.
  - b) ball travelling in the air may be caught or controlled into the hand using the hurley,
  - c) goalkeeper to take all puck-outs,
  - d) score from puck-out is not allowed.
  - e) no penalties.

These rules should be adhered to in the correct spirit of the game also.

7. Unlimited substitution from halfway line is permitted with referee's permission.
8. Referees for group games are the responsibility of participating schools. In individual matches the Away team provides the referee unless by agreement. Respect should be shown at all times to referees and to the opposition. This should be emphasised by Principals & the Teachers involved with teams. PLEASE TEACH PLAYERS TO RESPECT REFEREES.

**NB A Teacher must be present at every match involving their school to ensure insurance requirements are fulfilled.**
