Rules:

1. Games will be five minutes per half. **No half time breaks in group games.**
2. Two points for a win, one for a draw. **Group winners progress to final.** In the event of two teams having equal points at the conclusion of the group series, a play-off of 3 minutes per half will take place. If teams are level at the end of the play-off, the Golden Score Rule applies – first score wins. If more than two teams have equal points at the end of the group series, score difference is taken into account. If still level, the co-ordinator will arrange a knock- out series of games to decide the group winner.
3. At venues where there are three groups of three/four, the group winners play off in a round-robin fashion to determine the overall winner.
4. All schools must supply team lists with dates of birth to group co-ordinator.
5. Only 10 players allowed to tog out and take part – unlimited substitution from half-way line.
6. Co-ordinators will send results from each venue by email to Cyril Mannion at cyrilmannion@gmail.com after group games.
